2025 Eastport Pirate Festival Exciting News!

Ahoy Vendors,

We are thrilled to announce that the 2025 Eastport Pirate Festival will celebrate its 20th anniversary with an extended weekend of festivities from **Thursday, September 4, to Sunday, September 7, 2025**. This year, we are extending the festival to accommodate **two visiting cruise ships on Thursday and Friday**, offering an exciting opportunity for vendors to connect with a larger audience. Below, you will find important information about vendor spaces, pricing, and lot availability.

Each vendor space measures **10x10 ft**. If your setup exceeds this size, please select additional spaces as needed (e.g., two spaces for a 20x10 ft setup). Thursday is free of charge, while Friday, Saturday, and Sunday are subject to standard payment guidelines.

The **pricing structure** is as follows:

- **\$125/Space (Thursday-Sunday)**: This fee applies to vendors who set up at the **Port Authority lot** on Thursday and Friday and then relocate to the **City Hall lot** for Saturday and Sunday.
- **\$100/Space (Saturday and Sunday only)**: This fee applies to vendors who only set up in the **City Hall lot** on Saturday and Sunday.
- Vendors who choose to set up in the **Breakwater or Fisherman Pier lots** will be subject to the fees designated for those specific lots. *Thursday is free of charge.*

Please note the following regarding lot availability:

- The **Port Authority space** will only be open on Thursday and Friday. Vendors who set up in this lot must relocate by Saturday morning.
- The **City Hall lot** will only be open on Saturday and Sunday due to business hours. Vendors cannot set up in this lot before Saturday.

If you are setting up Thursday and Friday at the Port Authority lot, please be prepared to move to the City Hall lot for the weekend. The Port Authority spaces will not be available on Saturday or Sunday. Additionally, Breakwater and Fisherman Pier lots will be available Thursday through Sunday, but vendors in these areas must pay the specific fees designated for those lots.

To secure your space, please complete the attached application form or the online application here: [Online Application](#) and indicate the number of spaces you require, the lot(s) and dates you are requesting, your intended setup timeline (Thursday-Sunday or Saturday-Sunday), and confirm payment.

Applications and payments are due by **August 15, 2025**. Spaces will be assigned on a first-come, first-served basis.

Thank you for joining us in celebrating 20 years of the Eastport Pirate Festival. We look forward to another memorable weekend filled with fun, festivities, and community spirit. If you have any questions or need assistance, please do not hesitate to contact us.

Sincerely,

Eastport Pirate Festival Committee

Vendor Invitation

The Eastport Pirate Festival has become one of the marquee family events on the Coast of Maine and Atlantic Canada! An event not to be missed!

Attracting > 15,000 people during the 3 days of events; the Pirate festival unfolds the weekend after Labor Day in September. Saturday will entice a crowd with the parade, a top name band, and an amazing firework display. Followed by an equally enticing day on Sunday!

While we are excited to be able to accommodate a larger amount of vendors, but we are still limited by how many booths we can supply electricity and water to.

Note: We try to ensure that there is limited overlap in products sold to allow our vendors the best opportunity to sell their products; however, we cannot guarantee nor will we commit that another vendor is not selling a similar product. We will do our best to appropriately space apart similar vendors, but with a limited space, it is often not possible.

We welcome many types of vendors, from Food services, to direct sales products and Artisans. All applications received will be reviewed and you will be notified of your acceptance; delay in sending in your application may result in missing out on a spot.

Rates for the festival are as follows: All Fisherman Pier Parking lot spaces and Breakwater Pier spaces shall be \$225.00 per 10x10ft. space for the 3 day period. Vendors wishing to be in the Craft/Vendor lot will be charged \$100.00 per 10x10 ft. space for a **2 day period** (Saturday and Sunday).

There is a \$25.00 additional charge for vendors who require electricity and/or water. There is **no water access in the Craft/City Hall** vending area and spaces with electric access are very limited in the crafts area. **There is a limited number of 240v/50A electrical outlets. These will be filled on a seniority basis. Please only note the electrical amperage NEEDED for your booth. And the type of socket needed.**

It is important to us that we keep our town looking and feeling good during the festival. It is required that each food vendor provide the public with a trash receptacle in their vicinity. It is the responsibility of the vendor to ensure this receptacle is maintained in a timely manner and this will be strictly enforced. The festival provides dumpsters to dispose of this trash in a nearby location.

If you have an interest please fill out the attached application form and mail it with your payment today. You can also apply using our online application at
